VIA ONLINE PLATFORM: MICROSOFT TEAMS

CALL FOR PAPER

We seek quality papers that are situated within the intersection between Sciences, Built Environment and Engineering fields. You are cordially invited to submit papers that are related to the theme.

Accepted paper will be published in **e-proceeding** with **e-ISSN**.

ABOUT US

The Postgraduate and Industry Research Colloquium (PIRC) 2024 is being organized by the Faculty of Engineering and Built Environment at Universiti Sains Islam Malaysia. Postgraduate students and industry researchers can present their work, receive industry comments, and gain recognition in this significant venue, especially in relation to Industry Revolution 4.0. The online event aims to enhance industry-academia collaboration within the framework of Education 4.0.
