## Semarak International Research Article Competition – MyCite / International Journal (SIRAC - MyCite / Intl. Journal)

Online

31 January 2026 (Results Announcement)

Join us virtually for the Semarak International Research Article Competition – MyCite / International journal., on 31 January 2026. This exciting event brings together scholars, researchers, and professionals from around the world to share their latest work through submitted manuscripts, fostering intellectual exchange and building valuable academic connections. Whether you are submitting your research or exploring new ideas, SIRAC – MyCite / International Journal offers a unique platform for innovation and collaboration across diverse fields. All participants are required to submit their full paper before the submission deadline.

To recognize exceptional contributions, Articles' Awards – Gold, Silver, and Bronze, Best article in each category and Best of the best article – will be awarded to outstanding articles based on originality, technical merit, and relevance.

### Themes

1. Engineering applications
2. Mathematical Science

3. Food Science and Agriculture Technology
4. Health and Quality of Life
5. Future Learning and Education
6. Islamic Studies and Culture
7. Business Accounting and Finance
8. Marketing, Management and entrepreneurship
9. Tourism and Hospitality
10. Fundamental Sciences
11. Organizational Behavioural
12. Animal Sciences
13. Vehicle Technology
14. Computer Science and Information Technology
15. Law, policy and governance
16. Architecture, art and design
17. Language, humanities and mass communication

#### **B) PARTICIPATION FEE:**

- Malaysian/International: RM350 / USD100

#### **C) PUBLICATION:**

All submitted research articles will be reviewed, revised and published in the following MyCite or International Academic Journals based on the journal scope:

1. Journal of Advanced Research in Applied Sciences and Engineering Technology
2. Journal of Advanced Research in Business and Management Studies
3. Journal of Advanced Research Design
4. Progress in Energy and Environment
5. Journal of Advanced Research in Computing and Applications
6. Journal of Advanced Research in Social and Behavioral Sciences
7. Journal of Advanced Research in Applied Mechanics
8. Journal of Advanced Research in Micro and Nano Engineering
